On Sat. 3-16-91 I Det Castillo,under direction from ADA John Reddin, I asked Robert Theno if he would put in a call to Scott Helmermann in Florida. He stated he would call Scott and talk to him re: our investigation He knows that there are no promises on the table re: his charges and that he was still under arrest. He stated no problem that he was willing to assist in this investigation. He claims he can help us more if he was on the outside,but will deal with that later.

Prior to the phone call to Scott,Robert Theno wrote in his own handwritting that he was consenting to make a two party phone call that was being taped and that was signed by Robert Theno and was witnessed by Det.'s Castillo and Ernie Meress on 3-16-91 at 12:30PM

The summary of said call is as follows: Starting from 000,the time is 12:33PM 3-16-91,the ph # called was 305-473-8355,there were a few tests in between the original call. Contact was made,Bob identified himself and unk male answered and got Scott.Bob said hi and asked if Scott got hold of the people yet,Scott said no and Theno said that he -----,now the tape switches to where I, Det. Castillo, am actually talking to Jusp. The tape cut off because Det. Meress ran it back to far when Theno told him(Scott) to call me. There was no serious talk it was just about serious trouble and the police wanted to talk with him. Scott said he knew about it and said he would call Det. Castillo.

At 112 on recorder read out the conversation starts with Scott and Det. Castillo. I asked him what was happening and Scott says I guess alot that shouldn't be going on,thats why I'm calling you. He asked how I wanted to deal with this over the phone or come on up there. After we talked about coming up for awhile, I gave him some info that bodies were found and he said I didn't know nothing about that. Then I said and you were living there he replied now I know what you are talking about. He said that this idiot (Ed P.)said he killed everybody in Milwaukee I never believed him maybe I should have. I told him he has info we need,he states that I'll give you a whole book on this bastard(Ed P.) He gave me his number again,the same one we called and I told him he was a suspect,they were all suspects untill we have the stories from everyone. He states he understands and will co-operate. We ended the call and the tape digit ended at 204.

Nothing more was said I called back two different times and he was always there and agreed to come up. End of report,consent paper attached to this report.
